Lesson Plan Review	
How was individualization documented?	
Was there a real-world topic for investigation and integrated learning?	
Which domains of learning and development were addressed?	

Portfolio Review	
Names of Children:	
Does the documentation describe what the individual child said and did? Provide an example.	
Is the evidence connected to relevant measures? Provide an example.	
Is there evidence to support the ratings that were made? Provide an example.	

Possible Coaching Questions about Lesson Plans
Tell me about these learning experiences. How did you and the family plan them for the child?
Can you remember which experiences were most engaging to the child? Why do you think that was?
What do you think the child learned?

Possible Coaching Questions about Portfolios
How are you working as a team (home visitor and family) to collect evidence?
How do you work with the family to plan learning experiences based on your DRDP evidence and ratings?
Which DRDP domains and measures do you feel confident about?
Which DRDP domains and measures do you want to learn more about?
